Comment. Camp Fuenfeichen is probably identical with the Panzer
Kaserne in Neubrandenburg. The present information indicates that the
installation is still occupied by the unidentified Gds Hv Tank S? Regt
of the 9th Gds Tank Div and by units of the 88th Engr Regt () of the
Second Gds Mecz Army.
Colonel Pizerow (fnu) is known as MVD chief in the headquartors of the
Second Gds Mecz Army hearstenberg and Lieutenant Colonel Merzikov (fnu),
as supply officer in Neubrandenburg. As General (Armd) Vladimir Zhishkin
(fnu) presumably belows to the army headquarters in Fuerstenberg, he may
be in command of the tank troops of the army.
